The Cairnus is a beautiful specimen
I should like to add it to my collection
but the price is very high. I wonder if
you cannot get a better price for me.
The same price is offered in the
Vierordt sale in March - not as good
an example as yours but nevertheless
"superbe." Salomon has suggested
to me as a fair bid on it 250-300
florins (say \$100.-120.) and you will
remember that you suggested \$60.-70 as
a fair bid when we went over the
Vierordt catalogue.
